Local Environment Drop-in

Saturday 15th November - Toddington Village Hall
Drop in anytime between 10:00am and 1:00pm

Do you care about your local environment?

Do you have a few minutes to spare to help us?

On **Saturday 15th November**, the Greensand Trust will be running a **'Green Infrastructure Drop-in Session'** at the Village Hall, as part of the process to develop a **Neighbourhood Plan** for Toddington.

We hope to hear about what you like & don't like about our local environment, what could be **improved**, and how **access** to green spaces could be enhanced.

Drop in anytime between **10am and 1pm**, and stay for as long as you like. No expertise is necessary, just a wish to see your local environment improved.

Everyone is welcome. A craft activity will be available for children.

Here are some things we would love to hear from you about

*Where would you like to see access routes or green spaces **improved**?*

*Where would you like to see **new** access routes or green spaces?*

*Can you think of any **improvements for wildlife** you would like to see in the area?*

*Which of our green spaces are especially important and need better **protection**?*
