

Toddington Neighbourhood Plan – Business Questionnaire

Dear Toddington Business,

You may be aware that the Parish Council has agreed to the production of a Neighbourhood Plan for Toddington. The Neighbourhood Plan will be used to identify what the people and businesses in our community think are the priorities for the future of the Parish, and to help influence future policies, plans and funding.

A business questionnaire has been produced by the Toddington Plan Steering Group, which is made up of volunteers who are all residents of the parish. The questionnaire is your chance to have your say and influence the way our Parish develops as a location for businesses and employment. Without your input, the Neighbourhood Plan is incomplete. We do hope you will complete this questionnaire which will only take a couple of minutes.

Please answer the questionnaire as fully as possible. Taking part in the survey is optional, but we hope you will make your voice count. We would like you to complete the questionnaire by scanning the QR code or using the link below.

Following further consultation on the results of the various surveys, we will produce the final Neighbourhood Plan during 2027.

For more information about the Toddington Neighbourhood Plan, please visit our website [**www.toddingtonplan.co.uk**](http://www.toddingtonplan.co.uk)

Thank you for your support.

Please complete the survey by Monday 23rd March 2026.

Filling in the questionnaire and Data Protection - Information from answers to this questionnaire will be stored and processed by computer. All data will be treated as confidential and used only for the purposes of collating results and compiling the Toddington Neighbourhood Plan. No data will be published in such a way as to identify the responses of individual businesses.
